High Electric & Water Readings

Normally, if your water and/or electric usage is not within your "normal" usage, Breckenridge Public Utilities staff will contact you.

However, with the extreme volume of "HIGH to VERY HIGH" usage, no contact was made this month.

If you have not been watering your lawn, flowers, garden, filled a pool, etc. and you have a higher than normal water reading, you may have a leak.

Feel free to contact Breckenridge Public Utilities with any questions.

WATER CONSERVATION REMINDER:

Leave lawn clippings on your grass, this cools the ground and holds the moisture.

HOUSING REHAB LOAN PROGRAM

Now available to Contractors/Developers

The City has partnered with West Central Initiative (WCI) to offer low interest loans to Contractors or Developers looking to purchase, renovate, and resell homes in Breckenridge.

Maximum loan of \$50,000 per home to be used for renovations.

Must repay loan when home is sold or after 15 months (whichever is sooner).
