

PRESCRIPTION DRUG TAKE BACK

What should I do with unused or expired prescription or over-the-counter medications?
Remove them from your home and our community!

DO:

- *Report to law enforcement if medications are missing
- *Dump expired or unused meds in a zip-seal bag
- *Dispose of empty container— remove label
- *Leave liquid meds in bottle— seal in a zip-seal bag
- *Keep securely out of sight and reach of children

Prescription Drug Drop Off Box Located at

Wilkin County Sheriff's Office
Breckenridge Police Department
515 Dacotah Ave, Breckenridge, MN
Enter at Main Entrance (NE Corner),
drop box is located right in main lobby
(under video surveillance 24/7)

DO NOT:

- *Don't place them in the garbage or sewer system. They are NOT good for the environment!
- *Don't save them for an "emergency" or give them to anyone else. They could be a temptation for someone to steal.
- *Don't post your medical procedures on social media. This could be a way for someone to know about your need for painkillers! Don't give them an "extra" reason to visit you.
