

Father's Grief & Loss Group

When a father experiences the loss of a pregnancy, infant, or child, he does not just lose his child, but he loses all the what-if's, dreams, and hopes he was excited to create. Join Addie's Angels to process this grief in a safe environment with Licensed Therapist, DeNae Haagenon, M.Ed., LPCC.

Group will be held virtually on the 1st and 3rd Thursday of the month at 7pm.
