

### **Energy Alert:**

CodeRED Message:

This is an urgent message from Breckenridge Public Utilities. The City has been put on alert for the possibility of an electrical outage. Residents are urged to reduce their electricity use. Please adjust thermostats, shut off and unplug all unnecessary lights, electronic devices, and appliances. Refrain from using ovens, microwaves, washing machines, dishwashers and other appliances. Please do your part to reduce your electrical usage to help prevent a power failure from occurring. Refer to the City of Breckenridge Facebook page and KBMW AM Radio for further updates.
