UFC, MN Viking tickets
& more!**

At Hearts of 3, our mission is to celebrate the lives, legacies, and enduring spirits of Carter Casey, Sam Bakken, and Shalie Lipp. We gather as a community to honor the way they lived — with courage, passion, kindness, and relentless heart.

This event is a tribute to their individual journeys and the love they continue to inspire in all of us. It is a space where memories are shared, dreams are kept alive, and their impact is felt in every laugh, hug, and story told.

Hearts of 3 is about connection — between friends, families, and strangers who are brought together by the powerful reminder that one life can touch hundreds. We come together to lift each other up, to celebrate resilience, and to keep their light shining brightly through acts of community, kindness, and remembrance.
