

The Farm at St. Francis

Farm Highlights

- The Farm at St. Francis is located on the campus of CHI St. Francis Health, 2400 St. Francis Drive, Breckenridge, MN
- In 2021, the Farm received a grant from CommonSpirit Health to fund a three-year Community Health project in food security and food systems development

How You Can Be Involved

- Looking for individuals, service clubs, and volunteer-based organizations to consider donating time for various projects that can accommodate all skill levels. Construction, weeding, harvesting, and watering are current needs
- Looking for project team members to guide the project into the future

2022 Giving Opportunities

- Consider a gift in kind like small equipment, tools, inputs, plants, etc
- Financial gifts are welcome too!
