

Breckenridge Safe Routes to School

This project will begin in June 2019 and be completed in August 2022. This project is a complete system around the schools. This will include new sidewalks, parking lot NW of school, street crossing and painting, ADA compliant crossings, speed feedback signs, beacons, pushbutton crossings, auto gate for circle drive and more. The Breckenridge Active Living Committee has received a Transportation Alternative Grant for \$225,000 to help with the funding of this project.
