

RESOLUTION NO. 13121-16/2021

A RESOLUTION APPROVING THE PLANS AND SPECIFICATIONS AND AUTHORIZING THE ADVERTISING FOR BIDS FOR THE SOUTH SIDE DRAINAGE FLOOD MITIGATION – PHASE II, PROJECT NO. 308-17.

WHEREAS, the Army Corps of Engineers disclosed to the City that some homeowners on the south side of Breckenridge would still be required to purchase flood insurance as determined by a 100-year rain event due to internal drainage issues which were not part of the original flood protection project.

AND WHEREAS, after the bidding process, Interstate Engineering was hired to perform engineering services.

AND WHEREAS, Phase I has been completed and now that the City has secured more funding, they are able to proceed on to Phase II of the project.

AND WHEREAS, plans and specifications were reviewed and the following areas are being recommended for approval:

Storm sewer addition & complete street reconstruction from 6th Street South to 10th Street South along New York Avenue.

Alternate 1 – Include 10th Street South to 13th Street South along New York Avenue (if funds allow).

AND WHEREAS, the advertising for bids of said construction is being recommended.

NOW THEREFORE, Be It Resolved by the City Council of the City of Breckenridge, Minnesota:

That the plans and specifications and advertising for bids for portions of the South Side Drainage Flood Mitigation – Phase II, Project No. 308-17, be it and hereby is approved.

Adopted this 1st day of March, 2021.

RUSSELL WILSON, Mayor
