Who We Are

We provide a free whole-person evaluation for older adults 60 years of age and older to support them in finding the right services to thrive. We assess their needs and provide referrals for housing, nutrition, access to health care, social activities and transportation. Through this evaluation, we identify and address gaps in services to ensure older adults are supported.

LSS Rural Aging Action Network Service receives funding from the Minnesota Board on Aging and Area Agencies on Aging as part of the Older Americans Act and Lutheran Services in America. The services of Lutheran Social Service of Minnesota are available to all people, regardless of race, color, creed, religion, national origin, sex, sexual orientation, disability or age. © 2024 Lutheran Social Service of Minnesota. 03/2024
