

RESOLUTION NO. 13142-37/2021

A RESOLUTION ACCEPTING AN ENGINEERING PROPOSAL AND ENTERING INTO A CONTRACT WITH INTERSTATE ENGINEERING FOR THE SANITARY SEWER INSTALLATION ON THE SOUTH SIDE OF NEW YORK AVENUE PROPERTY AS PART OF PROJECT NO. 308-17, SOUTH SIDE DRAINAGE FLOOD MITIGATION – PHASE II.

WHEREAS, pursuant to previous action taken, the City established Project No. 308-17, South Side Drainage Flood Mitigation which will include storm sewer and complete street reconstruction from 6th Street South to 10th Street South.

AND WHEREAS, a possible cheaper and more effective option may be to extend the sanitary sewer from Flax Avenue to the lots along the south side of New York Avenue from 8th Street to 10th Street instead of along the street.

AND WHEREAS, after receiving several proposals for drafting the plans and specifications for the change, the recommendation is to accept the proposal from Interstate Engineering for a lump sum of \$5,200, not including any platting and easement work.

NOW THEREFORE, Be It Resolved by the City Council of the City of Breckenridge, Minnesota:

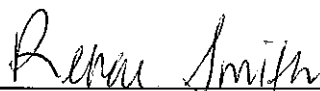

That the proposal from Interstate Engineering is accepted and a contract be entered into for the Sanitary Sewer installation on the south side of property on New York Avenue as part of Project No. 308-17, South Side Drainage Flood Mitigation – Phase II, be it and hereby is approved.

Adopted this 3rd day of May, 2021.

RUSSELL WILSON, Mayor

ATTEST:

RENAE SMITH, City Administrator
