2. Repair of Streets and Property. Any and all Streets or public property or private property, which are disturbed or damaged during the construction, repair, replacement, relocation, operation, maintenance, or reconstruction of the System shall be promptly and fully restored by Grantee, at its expense, to a condition as good as that prevailing prior to Grantee's work.
3. Conditions on Street Use.
 - a. If at any time during the period of this Franchise City shall elect to alter or change the grade or location of any Street, alley or other public way, the Grantee shall, at its own expense, upon reasonable notice by City, remove and relocate its poles, wires, cables, conduits, manholes and other fixtures of the System, and in each instance comply with the standards and specifications of City. If City reimburses other occupants of the Street, Grantee shall be likewise reimbursed.

- b. The Grantee shall, on request of any Person holding a moving permit issued by City, temporarily move its wires or fixtures to permit the moving of buildings with the expense of such temporary removal to be paid by the Person requesting the same, and the Grantee shall be given not less than ten (10) days advance notice to arrange for such temporary changes. 6. Reasonable Build-Out of the Entire City. Grantee acknowledges that it must expend a significant amount of financial and administrative resources to construct its Cable System in the City. Further, Grantee acknowledges that there is no promise of revenue from Cable Service to offset these costs. The Parties agree that the following is a reasonable build-out schedule, taking into consideration the requirements of Minnesota state law.
- a. Within one (1) year of the effective date of this Franchise, Grantee shall be capable of serving a minimum of twenty-five percent (25%) of the Dwelling Units in the City, provided, however, that Grantee shall use its best efforts to complete such deployment within a shorter period of time. Nothing in this Franchise shall restrict Grantee from serving additional Dwelling Units within the Cable with Cable Service.
 - b. Within two (2) years of the effective date of this Franchise, Grantee shall be capable of serving a minimum of fifty percent (50%) of the Dwelling Units in the City, provided, however, that Grantee shall use its best efforts to complete such deployment within a shorter period of time. Nothing in this Franchise shall restrict Grantee from serving additional Dwelling Units within the Cable with Cable Service.
- e. Within five (5) years of the effective date of this Franchise, Grantee shall be capable of serving substantially all Dwelling Units and multiple dwelling units in the City, provided, however, that Grantee shall use its best efforts to complete such deployment within a shorter period of time. Nothing in this Franchise shall restrict Grantee from serving additional Dwelling Units within the Cable with Cable Service.
- f. Upon the City's request, Grantee shall meet with the City Administrator or their designee to present information acceptable to the City (and to the City's reasonable satisfaction) showing the number of Dwelling Units that Grantee is then capable of serving with Cable Service and the number of Dwelling Units that Grantee is actually serving with Cable Service. In order to permit the City to monitor and enforce the provisions of this Section 3.6 and other provisions of this Franchise, the Grantee shall, upon reasonable demand and to the City's reasonable satisfaction, promptly provide to the City maps and other documentation showing exactly where within the City the Grantee is currently providing Cable Service.
- g. Grantee is prohibited from denying access to Cable Service to any group of potential residential cable subscribers because of the income of the residents of the local area in which such group resides. Grantee shall not discriminate among subscribers and potential subscribers to Cable Service.

SECTION 4.

DESIGN PROVISIONS

1. Operation and Maintenance of System. The Grantee shall construct, operate, and maintain a state-of-the-art Cable System and render effective service, make repairs promptly, and interrupt service only for good cause and for the shortest time possible. Such interruption, to the extent feasible, shall be preceded by notice in accordance with Section 2.8 herein and shall occur during periods of minimum use of the System.
2. Technical Standards. The technical standards used in the operation of the System shall comply, at minimum, with the technical standards promulgated by the FCC relating to cable communications systems pursuant to the Federal Communications Commission's rules and regulations and found in Title 47, Section 76.601 to 76.617, as may be amended or modified from time to time.

3. Lockout Device. Upon the request of a Subscriber, Grantee shall provide by sale or lease a Lockout Device.

SECTION 5.

SERVICES PROVISIONS

1. Subscriber Inquiry and Complaint Procedures. Grantee shall have a publicly listed toll-free telephone number and be operated so as to receive Subscriber complaints and requests on a twenty-four (24) hour-a-day, seven (7) days-a-week basis.
2. Refund Policy. In the event a Subscriber established or terminates service and receives less than a full month's service, Grantee shall prorate the monthly rate on the basis of the number of days in the period for which service was rendered to the number of days in the billing.

SECTION 6.

PUBLIC, EDUCATIONAL AND GOVERNMENT ACCESS PROVISIONS

1. Public, Educational and Government Access.
 - a. City or its designee is hereby designated to operate, administer, promote, and manage access (public, education, and government programming) (hereinafter "PEG access") to the cable system established pursuant to this Section 6 for public noncommercial, noncompetitive uses. Grantee shall have no responsibility whatsoever for PEG access except as expressly stated in this Section 6.
 - b. Grantee shall provide to each of its Subscribers who receive all, or part of, the total services offered on the System, reception on at least one (1) specially designated access channel for the City's use. The City shall have the sole discretion in designating the use of the access channel for public, educational, or government programming or a combination thereof. During those hours that the specially designated access channel is not being used by the City, or its designee, the Grantee shall lease time to commercial or noncommercial users on a first-come, first-served, nondiscriminatory basis if the demand for that time arises. The Grantee may also use the specially designated access channel for local origination during those hours when the access channel is not in use by the City or its designee, or commercial or noncommercial users who have leased time. The spectrum must be used for the first specially designated access channel required in the section. Grantee shall designate the channel locations of any other access channels. The City receives a PEG feed from the City of Wahpeton via Midcontinent Communications. Grantee shall cooperate with Midcontinent Communications to obtain the City of Wahpeton PEG feed at Grantee's sole cost. Grantee agrees to provide said PEG feed in the same technological format as provided from the City of Wahpeton, unless otherwise mutually agreed upon by the Parties.
 - c. Upon request by the City, Grantee shall provide one additional access channel for use by the City as a government access channel, and a transmission signal path between Grantee's headend and City Hall allowing the City to adequately program and monitor programming on the access channel for distribution over

the Cable System. Grantee shall be responsible for all equipment on its side of the demarcation point at City's access channel origination.

- d. Whenever the PEG Channels are in use during eighty percent (80%) of the weekdays, Monday to Friday, for eighty percent (80%) of the time for any consecutive three (3) hour period for six (6) weeks running, and there is demand for use of an additional channel for the same purpose, the Grantee shall then have six (6) months in which to provide a new PEG Channel for the same purpose, provided that provision of the additional channel or channels must not require the Cable System to install converters.

2. Charges for Use. Channel time and playback of prerecorded programming on the specially designated access channel must be provided without charge to the general public, except that personnel, equipment and production costs may be assessed for live studio presentations exceeding five (5) minutes in length. Charges for production costs must be consistent with the goal of affording the public a low-cost means of television access.

Grantee agrees that financial support for PEG access arising from or relating to the obligations set forth in this Section shall in no way modify or otherwise affect Grantee's obligations to pay Franchise Fees to City. Grantee agrees that the provisions set forth in this Section shall not be offset or otherwise credited in any way against any Franchise Fee payments under this Franchise Agreement.

3. Access Rules.

- a. City shall implement rules for use of any specially designated access channels. The initial access rules and any amendments thereto shall be maintained on file with City and available for public inspection during normal business hours.
- b. Prior to the cablecast of any program on any PEG access channel established herein, City shall require any Person who requests access (public, education, and government) to the System to provide written certification in a form and substance acceptable to Grantee and City which releases, indemnifies, and holds harmless City, Grantee and their respective employees, offices, agents, and assigns from any liability, cost, damages and expenses, including reasonable expenses for legal fees, arising or connected in any way with said program.

SECTION 7.

OPERATION AND ADMINISTRATION PROVISIONS

1. Franchise Fee.

- a. Grantee shall pay City an annual franchise fee in the amount of Five percent (5%) of Grantee's annual Gross Revenues. The franchise fee shall be in addition to any and all taxes or other levies or assessments which are now or hereafter required to be paid by businesses in general by any law of the City, the State or the United States including, without limitation, sales, use and other taxes, business license fees or other payments. Payment of the franchise fee under this Franchise shall not exempt Grantee from the payment of any other license fee,

permit fee, tax or charge on the business, occupation, property, or income of Grantee that may be lawfully imposed by the City. Any other license fees, taxes or charges shall be of general applicability in nature and shall not be levied against Grantee solely because of its status as a cable operator.

- b. The franchise fee shall be payable monthly. The payment shall be made within thirty (30) days of the end of each of Grantee's fiscal month, together with a brief report, acceptable to the City, showing the basis for the computation.

2. Indemnification of City.

- a. City, its officers, boards, committees, commissions, elected officials, employees, and agents shall not be liable for any loss or damage to any real or personal property of any Person, or for any injury to or death of any Person, arising out of or in connection with the construction, operation, maintenance, repair, or removal of, or other action or event with respect to the System.
- b. Grantee shall indemnify, defend, and hold harmless City, its officers, boards, committees, commissions, elected officials, employees, and agents, from and against all liability, damages, and penalties which they may legally be required to pay as a result of the exercise of the Franchise, except claims because of PEG programming or, the City's operation, administration, promotion or management of the PEG access channel(s) or any use of Internet Services in public institutions.
- c. Nothing in this Franchise relieves a Person from liability arising out of the failure to exercise reasonable care to avoid injuring the Grantee's facilities while performing work connected with grading, regarding, or changing the line of a Street or public place or with the construction or reconstruction of a sewer or water system.
- d. In order for City to assert its rights to be indemnified, defended, and held harmless, City must with respect to each claim:
 1. Promptly notify Grantee in writing of any claim or legal proceeding which gives rise to such right;
 2. Afford Grantee the opportunity to participate in and fully control any compromise, settlement or other resolution or disposition of any claim or proceeding; and fully cooperate with reasonable requests of Grantee, at Grantee's expense, in its participation in, and control, compromise, settlement or resolution or other disposition of such claim or proceeding subject to paragraph two (2) above.

3. Insurance.

- a. As a part of the indemnification provided in Section 7.2, but without limiting the foregoing, Grantee shall file with its acceptance of this Franchise, and at all times thereafter maintain in full force and effect at its sole expense, a comprehensive general liability insurance policy, including contractual liability coverage, in protection of City in its capacity as such. The combined policies of insurance

shall be in the sum of not less than One Million Dollars (\$1,000,000) for personal injury or death of any one Person, and Three Million Dollars (\$3,000,000) for personal injury or death of two or more Persons in any one occurrence, Three Hundred Thousand Dollars (\$300,000) for property damage to any one Person and One Million Dollars (\$1,000,000) for property damage resulting from any one act or occurrence.

- b. The policy or policies of insurance shall be maintained by Grantee in full force and effect during the entire term of the Franchise. Each policy of insurance shall contain a statement on its face that the insurer will not cancel the policy or fail to renew the policy, whether for nonpayment of premium, or otherwise, and whether at the request of Grantee or for other reasons, except after thirty (30) days' advance written notice have been provided to City.

SECTION 8.

1. City's Right to Revoke. In addition to all other rights which City has pursuant to law or equity, City reserves the right to revoke, terminate or cancel this Franchise, and all rights and privileges pertaining thereto, if after the hearing required by Section 8.2(b) herein, it is determined that Grantee has violated any material provision of this Franchise.
2. Procedures for Revocation.
 - a. City shall provide Grantee with written notice of a cause for revocation and the intent to revoke and shall allow Grantee sixty (60) days subsequent to receipt of the notice in which to correct the violation or to provide adequate assurance of performance in compliance with the Franchise. Together with the notice required herein, City shall provide Grantee with written findings of fact which are the basis of the revocation.

4. Sale or Transfer of Franchise. No sale or transfer of this Franchise shall take place without the written approval of the City, which approval shall not be unreasonably withheld. All of the rights, privileges, obligations, duties, and liabilities created by this Franchise shall pass to and be binding upon the successor or assign of Grantee. Said approval shall not be required

where Grantee grants a security interest in its Franchise and assets to secure an indebtedness. Grantee shall reimburse the City its costs, including its attorney's fees.
