### The event

The Breckenridge Dog Park will have its grand opening at 10 a.m. Wednesday, June 9. The public is invited and so are their dogs.

### The background

The Breckenridge, Minnesota, Active Living Committee voted unanimously to build a dog park by the Family Community Center on Oct. 14, 2020. The idea for a dog park is over five years in the making, Lori Gefre, city billing clerk and committee member, previously said. Area doctors Lucy and Vartan Malkasian donated \$30,000 to the project and donations totaled over \$35,000. Gefre unveiled the park's signage at the April 15 meeting, which includes the name and rules of the park. The park would be closed from 11 p.m.-5:30 a.m. each day. A new blue wave eight-bike rack donated by PartnerSHIP 4 Health will also be unveiled at the June 9 morning celebration.
